

## Step-by-Step Guide | Referring Colleagues & Friends To Maven Open Projects

You can easily refer colleagues and friends to Maven Open Projects by following these simple steps.

1. Log into your Maven account or create an account if you don't already have one. [Welcome to Maven](#) (Maven.co).

The screenshot shows the Maven.co website's login and sign-up interface. At the top, there is a dark navigation bar with links: "Why Maven?", "The Platform", "You Are a Maven", and "Help". Below this, the page is split into two columns. The left column is titled "Sign up for free." and includes the text "It only takes few minutes to join." It features three social login buttons: "Sign up with LinkedIn", "Sign up with Google", and "Sign up with Facebook". Below these is an "OR" separator, followed by three text input fields for "First Name", "Last Name", and "Email". At the bottom of this column are two checkboxes: "I have read and agree to the [Maven Privacy Policy](#)" and "I have read and agree to the [Maven Code of Conduct](#)". The right column is titled "Already signed up?" and includes the text "Sign in here." It features three social login buttons: "Sign in with LinkedIn", "Sign in with Google", and "Sign in with Facebook". Below these is an "OR" separator, followed by two text input fields for "Email" and "Password". A link for "Forgot password?" is located below the password field. At the bottom of this column is a green "LOGIN" button.

2. Explore the open projects board on Maven's platform: [Open Projects Archives | Maven Research](#) (<https://app.maven.co/call/open-project>). Scroll down to review the live open projects and descriptions. The newest projects will show up at the top.
